A PUBLICATION OF BETHLEHEM LUTHERAN CHURCH AND CHILDREN'S CENTER

Volume 71, Issue 6

June 2021

From Pastor Diane

Dear BLC Community,

Over the last few Sundays there's a theme in my sermons: outreach. Call it what you like – evangelism, or witness, or sharing the gospel – I've been encouraging you to find ways to share your Jesus story.

This is intentional on my part, and there are several reasons. First and foremost, the bible texts we are reading call us to this theme. We are now in the season of Pentecost, and the lectionary (the three-year cycle of scripture readings that we follow) is leading us through the birth of the early church after Jesus's ascension into heaven. Those first disciples and followers, filled with the Holy Spirit, spread the good news, first in Jerusalem, and then beyond, and the church grew.

The second reason I am preaching about outreach – about getting comfortable talking about faith and inviting friends to church – is because this is part of our Christian identity overall. Just as Jesus traveled through the villages and towns of Palestine preaching the good news that God had come near, and that in him all things were being made new, so we are invited to do the same as his followers. We tell the story in speech that makes sense in our time, and we relate it to our own experience, but it is the same message of God's free gifts of grace, forgiveness, love, community, and ministry.

The third reason is because of where you are, Bethlehem, in this time and place. In your Ministry Site Profile, the document created by the call committee with your input to describe BLC to potential pastors, you note that attendance, membership, and especially youth ministries, have all trended downward in the past 15 years. Included among your goals is to "invite and welcome more: more people, more families, more kinds of people, not for the moreness but to share what we have." You note that it is your purpose as a congregation to "Share the love of God through our programs and in our daily lives." You note that you seek a pastor who will help you "step out of your comfort zone."

And finally, here are your top four mission priorities:

- Exploring and expanding our comfort zone when talking about bringing people to Christ (as Lutherans, this is outside of our comfort zone).
- Expanding our diversity (age, race, socio-economical).
- Enthusiastic collaboration with other congregations at the clergy level to develop working relationships for community programs.
- Re-energize the gifts and talents of all members to serve the congregation and the community

Bread for the World Update

The Bread for the World Offering of Letters Zoom meeting was successful and generated about 75 letters. Lien Cibulka of Elisha's Pantry was a great speaker. We wrote and emailed letters and had a drawing for 5 bakery certificates. We heard positive comments from attendees. The letters were dedicated in the church service on May 2. Thank you for your support. If you'd like more information, please go to ol.bread.org

Pastor *(continued)*

These are fantastic! These priorities reflect spiritual maturity and that you are in touch with the movement of the Holy Spirit in our times. AND... they are all about outreach.

As your bridge pastor I'd like to help you be ready for your new pastor. It would be wonderful if, when I leave and the new pastor arrives, you already have hopefulness, energy, and ideas for the ministry of outreach to which the Holy Spirit is calling you, and you can get going, together.

May the Holy Spirit bless you richly and guide you into the ways of peace as we share the new life in Christ.

Blessings,
Pastor Diane

Congratulations, Graduates

We are so proud of you and send our best wishes for your future success! Please join us on Sunday, June 6 at 10 am for outdoor church and a special coffee hour in your honor. We will present L.U.T.H.E.R. scholarships to high school graduates Katrina Anderson and Mason Cole-Schweizer, who have successfully completed the application process. We will present the Lutheran Education Scholarship to Jackson Petty who attends California Lutheran University, and also completed the application process. An Endowment Scholarship will also be awarded to Jackson Petty. We look forward to celebrating your accomplishments and pray for God's blessings on you always.

Second Mile Sunday

On June 13, Bethlehem Lutheran Church and the Sierra Pacific Synod will focus on supporting The Lutheran Office of Public Policy (LOPP). This is a ministry of public policy education and advocacy on matters of hunger and economic justice, the health and integrity of God's creation, and human rights and human dignity. It serves the California expressions of the ELCA as they seek to express God's love and care for our neighbors – especially the “least of these” – who experience poverty, deprivation, and discrimination. Priorities for LOPP are determined by a Policy Council appointed by the ELCA bishops in California. Issue areas and specific positions on public policy choices must be within the framework and direction of ELCA social statements, including *The Church in Society: A Lutheran Perspective ; Sufficient, Sustainable Livelihood for All; Caring for Health – Our Shared Endeavor; Caring for Creation: Vision, Hope, and Justice; Our Calling in Education; Freed in Christ: Race, Ethnicity, and Culture; and Human Sexuality: Gift and Trust.* Guidance is also provided by ELCA social messages and policy resolutions , and synod assembly actions. Priority issue areas have included poverty and the state budget, policies affecting children or immigrants, health care, fair and adequate taxation, and energy policy/climate change. Since “direct democracy” is a declining feature of public life in California, the LOPP Policy Council also makes recommendations on selected ballot propositions where issues of poverty, human rights, and care for creation are at stake.

Kitchen Cleaned

The Ruth Circle Ladies completed the annual cleaning of the kitchen on May 18.

We ask that if you use the kitchen please treat it as our own... spill something, wipe it up, use something, wash it and put it where you found. If you leave something in the refrigerator or freezer please go back and check on it. Unused items such as lemonade, coffee, opened food items and fruit needs to be tossed out after a week or so. Everyone is welcome to use the kitchen and as you leave the kitchen take a look around to make sure you left it in good condition.

Thank you for your cooperation in keeping our kitchen a clean and enjoyable part of Bethlehem Lutheran Church.

Elisha's Pantry

Thank you, Bethlehem Community, for your generosity during our Grand Reopening Campaign to Refill Elisha's Pantry's Coffers. On the first Sunday of our collection, we filled Siri and Max's trunk with needed items, including tissue, toilet paper, small laundry detergent, dish soap, large shampoo/conditioner, toothpaste/toothbrushes, deodorant, skin lotion, razors, mouthwash, masks, and lots of sturdy plastic bags. Then on the second Sunday, we not only filled the trunk, but part of the back seat as well! Basic items such as these are so important: they restore human dignity and make people feel good. When clean and cared for, people can focus on the other challenges in their lives. You have made a difference, in Christ's name.

Thank you,
Pastor Diane

Volunteers Needed

Coffee Hour Hosts. Hosts can make coffee in the big urn or pick up coffee from Starbucks (you don't have to pay for this). All paper items provided. Hosts provide a little something to nosh on (packaged cookies are totally okay), and set up and clean up. Sign up coming soon.

Zoom Worship Hosts. We will train you, and you can do this from home or from church. It involves welcoming people, starting the recording, muting as needed, and a few other details. Interested? Let the church office know.

Pentecost

The name Pentecost comes from the Greek word meaning "fiftieth." Originally, the name Pentecost referred to a Jewish harvest festival known as the Festival of Weeks. This festival was also called Pentecost because it took place seven full weeks or fifty days after the Feast of Firstfruits. However, fifty days after Jesus' resurrection, the Holy Spirit appeared as tongues of fire above the heads of Jesus' Apostles and gave them the ability to speak in tongues, which is foreign languages they never knew before. Afterward, the Apostles preached to the Jews who had gathered in Jerusalem for Pentecost about how Jesus was their savior. On that day, 3,000 people came to faith in Jesus and the Christian church was born. Today, the Christian Church celebrates this special event 50 days after Jesus' resurrection on the Day of Pentecost.

"Building in Faith"

Habitat for Humanity is a faith-based organization dedicated to improving lives by building modest, affordable homes in partnership with communities and families in need.

HfH was founded in 1976 in Americus, Georgia, by Millard and Linda Fuller. Their idea was to have those chosen by need, ability to pay a no-interest mortgage and willingness to partner, come weekly to help build (putting in 500 hours of "sweat equity") and so watch their dreams happen.

***HfH has helped more than 35 million people world-wide.

***The record for fastest Habitat house built is 3-1/2 hours

***HfH is recognized as one of the world's 40 most innovative development organizations.

***The Sonoma County branch was formed in 2002.

***The first Habitat Restore in the US was opened in 1992. It receives donations (furniture, lighting fixtures, doors, windows, etc.) which are then sold to the public at a fraction of retail prices. Santa Rosa's Habitat Restore is located at 1201 Piner Street. Free pick-up service is available for larger items.

Last year has brought many challenges to the communities all over the world. Now more than ever, funds are needed. Your donations will be much welcomed!

In memory or honor of our fathers; or father figures, the BLC women of the ELCA are kindly asking for your support on this Father's Day to benefit the Sonoma County Habitat for Humanity.

Your contributions can either be brought to the church, mailed or given online. For checks issued to BLC, please put Habitat for Humanity in the memo line. For giving online, go to www.blc-bcc.com, then Giving Options, Ways to Give, Give Plus.

You may pick up a card at church saying that "A gift has been made in your honor to Habitat for Humanity".

Bethlehem Weeders

Eight church members, including Master Gardener Jan Gubrud, recently spent time pulling weeds, trimming, pruning and spreading bark in the patio area to prepare for Bethlehem's outdoor services. From left to right, the group included Richard Graalfs, Max Fenson, Linda Widdifield, Barry and Jan Gubrud, Elaine and Bob Adams -Siri, photographer.

The "Bethlehem Weeders" plan to continue improving the appearance of church grounds; think about joining them!

 Tuesday, July 6- *The Boy Under the Table* by Nicole Trope

This is a stark look at the underbelly of society – at what can and unfortunately does happen. Told in the voices of Tina, Sarah, Doug and local policeman Pete, this story is a poignant look at how a small amount of hope can be all that keeps a person from snapping, never to be the same again.

 Tuesday, August 3- *The Guardians* by John Grisham

“Grisham again delivers a suspenseful thriller mixed with powerful themes such as false incarceration, the death penalty and how the legal system shows prejudice. The Guardian team of characters is first-rate.”– Associated Press

 Tuesday September 7- *Oregon Trail* by Rinker Buck

This is an epic account of traveling the entire 2,000-mile length of the Oregon Trail the old-fashioned way, in a covered wagon with a team of mules - which hasn't been done in a century - that also tells the rich history of the trail, the people who made the migration, and its significance to the country.

Pentecost

Continued from page 5

The color of the paraments in church for this day is red to symbolize the fire of the Holy Spirit working in people's hearts.

The season of Pentecost is the longest season in the Christian Church year. It begins the Monday following the Day of Pentecost and lasts until the season of Advent begins. It lasts anywhere between 22 and 27 weeks, depending on when Easter takes place. We do not know when the season of Pentecost began. Christians have been celebrating the Day of Pentecost prior to the second century. It is believed they began celebrating the season of Pentecost around the second to third century.

During the season of Pentecost, the Christian Church focuses on the teachings of Jesus.
